

The Kentucky Historical Society and the Southeast Kentucky Community and Technical College hosted the National History Day in Kentucky Regional Contest on Friday, March 13. We welcomed approximately 116 students from 9 schools for this first regional contest of the NHDKy season. The students and their projects listed below qualified for the opportunity to compete at the National History Day in Kentucky State Contest at the University of Kentucky on April 25.

Students presented their exhibits, documentaries, websites, performances, and papers featuring topics related to this year's national theme, "Breaking Barriers." Each student or group showed their project to a panel of judges who determined which projects would qualify for the NHDKy State Contest. The top 1/3 of projects in each category advances to the NHDKy State Contest. To find out more or to become involved in this program visit: www.nhd.org or www.history.ky.gov/nhdky.
